

FAMILY SURVEY

What holidays does your family celebrate?

Special traditions/cultural celebrations:

Languages spoken

Special cultural foods

How would you like to see your cultural beliefs integrated into your child's educational experience?

Would you be willing to come in and share your traditions with the classroom?

Would you be willing to share your time with the class?(i.e. reading a story, helping with activities etc.)

Any holidays/celebrations you prefer your child not be exposed to?

Would you be interested in a "Parents Night Out" where you could drop your child off at school with his/her teachers for a few hours?

Would you be interested in Parent Workshops and if so what would you find most interesting/educational?

Would you be interested in doing a fundraiser to help pay for class field trips (parents usually pay individually) and for the end of the year yearbook?

Comment/additional information you would like us to know:
